

MESSAGE #2582 from the Blessed Mother February 2, 2004

My daughter, Continue to pray and offer your suffering to our Lord so more souls convert before it's too late. Prayer is truly needed to help convert hearts. Prayer is truly needed, for many of my children live in darkness. So many children are living in sin. So many are not on the path that will lead them to Heaven. Sin has become widespread, so please, please pray more.

Take hold of your children and teach them in the proper way. Tell them that God truly exists and that He is truly loving and forgiving. Teach your children now, for many are living in mortal sin. Many are not obeying all of God's commandments. Many are making up their own rules to fit their lifestyle. Many are not taking heed to the Gospel and are sleeping during Mass. So many do not believe that Jesus is truly present in the Holy Eucharist.

Please, please dear parents, form your children now. Gather your family and pray, pray the Rosary. Set an example for your children so they come to know the truth. There is no longer time to be ignoring your children, so please respond today. Teach your children all that I am teaching you. Prayer must begin with you, so turn to God and ask, ask for His guidance. Ask God to help you in this time of tribulation. Ask God to help you be the parents He intended you to be. Ask and God will truly, truly assist you.

Now, let us pray that more parents will take hold of their family before it's too late. Let us pray for all souls living and deceased. Let us pray each new day, for again I say to you, prayer is truly needed all around this world. Prayer is truly needed, so please respond, respond now. Do all that you can to save souls. Do all that you can by truly being an example to those who are choosing darkness.

I am truly here to teach you, so please, please respond today. Amen.

MESSAGE #2583 from the Blessed Mother February 3, 2004

My daughter, God is love. God is merciful and He truly understands all that you are going through. You will feel better in days to come, so be at peace and know that We are with you. Be at peace and continue to offer your suffering for those who do not believe in God's love and mercy.

Those who are choosing to walk alone do not have peace. They do not have peace because they do not turn to God for consolation. They do not feel God's love because of their refusal to embrace Him. How difficult it is for one to walk alone.

Jesus must be at the center of your life. He is a patient and compassionate God who loves you very much. Each of you need to go before Him with confidence and trust, trust in your hearts. You need to trust in His love for you and ask, ask for His assistance. You must understand that you are weak without God's help. You must understand that when you turn to God, you receive His grace. Nothing can be accomplished on your own. Each time you pray, my Son is truly with you. Each time you come to Mass, Jesus gives Himself to you when you receive Communion.

My Son has given you the gift of life and He desires that you imitate His ways. Please desire Jesus and turn to Him each new day. Rely on God and not yourself if you truly want peace and happiness. Let go of your ways and thirst, thirst for Jesus. My Son waits for you to come to Him, but very few ask, ask for His assistance. So many today continue to crucify my Son when they choose darkness.

It is time now to truly live this message so that you can come to know my Son's love that He has for each of you. Will you respond wholeheartedly or will you deny God's love? If you choose the path that will lead you to Heaven, my Son will protect you. He will save you from darkness and He will truly console you.

I plead with my children today to rely on God. You have been truly blessed by God to receive words from Heaven, so please, please respond today. Change your ways and follow Jesus and believe, believe dear children, in His love for you. Believe and conform to His ways which are that of love and truth. Amen.

MESSAGE #2584 from the Blessed Mother February 5, 2004

My daughter, If my children truly loved Jesus, they would spend more time with Him. They would pray throughout the day and converse with God. They would not be afraid of sharing their love of knowing Jesus. They would not lose hope or worry, worry about the future.

Dear children, your first love must be God if you truly want to blossom. You must adore Our Lord and follow His way of truth. You must be grateful for all that God has given you and strive to be humble, loving children. Please imitate Christ and take heed to the Gospel. Live all that you are being taught so that you truly come to know Our Lord in this time of preparation.

Be more prudent with your time so you stay close, close to Jesus. Do not allow the world to add busyness to your life. Set time aside each new day, kneeling before Our Lord. You can do this by truly building a chapel in your homes. All you need is a crucifix and a quiet corner to kneel before Our Lord. Each of you can do this if you truly want to spend quiet time kneeling and adoring Our Dear Lord, Jesus.

Today I must remind my children, for so many spend such little time with Jesus. Many spend endless hours entertaining themselves with their material wealth. This is why so many children are being led further away from God. Take a look today at how much time you spend with Jesus. Take a look and then take hold of your life. If you feel distant from God, then increase your time to be with Him. If you feel alone, then take Jesus with you wherever you go. Invite all the Holy Angels and Saints to be present in your home. Call them by name and they will surely assist you.

Now, please let go of the noise that surrounds you and be silent so that you can truly, truly hear God. Through silence, God will give you the wisdom needed to be more prudent. This time is so precious, so do not delay. Give more time to Jesus and adore Him each new day. Amen.

MESSAGE #2585 from the Blessed Mother February 9, 2004

My daughter, Many changes will occur and all will need to be strong, strong in their faith. All will need to persevere no matter how dark this world becomes.

In order to persevere, you will need to be strong warriors for Christ. You will need a true relationship with Jesus so you clearly hear Him. If you doubt in God's love, you will not understand His mercy. If you do not trust in His love, then you will lose hope.

I say to each of you, remain close, close to Our Heart and pray for wisdom and strength. Pray that you do not give in to those who do not understand God's love, mercy and grace. Pray that you do not give in to those who do not understand my role on this earth.

Pray, pray dear children, for I am truly preparing you for the road ahead. I am truly here to guide you closer to my Son, Jesus. I am here now because of God's love for you. I am here now to assist you on this earth. Those who take my hand will be taught the truth. I am here to wake those who are not on the right path. Difficult days will come, so begin today and practice all that I am teaching you.

Amend your ways and live, live more simply. Gather weekly in those groups that I have formed and come to Mass and pray, pray the Rosary. Allow each mystery of the Rosary to become alive in you. Meditate on our Lord's Passion and be truly sorry for your sins. Repent and do penance for your sins. Take part in healing Jesus' wounds, for how He suffers due to the sins of this world. Do not give excuses for your actions. Be humble, loving children. Be true to God and let others know how much you love Him. Forgive those who have hurt you by allowing God to heal your heart. Conversion will then happen and others will see Christ in you.

The way is forward, so please stay close to my Son's Most Sacred Heart. Stay close to my Son so you are protected from all evil. Stay close and never let go of my hand, for I am truly here to assist, assist my children. I am truly warning my children today that without a strong faith and willingness to do what is right, the road ahead will be difficult for you.

This is the time of preparation, so be wise and live these messages so you never give in to the enemy. I have but little time to remind you, so please respond and obey Almighty God. Respond even on those days when you feel tired, for through your response, you will be strengthened.

Today is a day to gather, so please pray and join hands and truly live your consecration with love and joy in your hearts. Amen.

MESSAGE #2586 from the Blessed Mother February 11, 2004

My daughter, Continue to be obedient to God and do what He is asking of you. Continue to write and share all that I am teaching you. Continue to share from your heart and live each day for Jesus.

Each new day, pray the Rosary and pray, pray for your Most Holy Pope. Pray that more of my children will take heed to the messages that are being given all around this world. The truth must be made known, so tell my children to go forth in love and witness their faith. Tell my children not to be afraid to witness their love of knowing Jesus. If each child does their part in saving souls, conversion will happen. More will come to know Jesus in this time of God's love and mercy.

I ask that each of you trust in my motherly intercession, for I am truly here to assist you. Each time you pray the Rosary, I am truly, truly there for you. Each time you turn to Jesus, I am ever so close to His Most Sacred Heart. I am truly present wherever there is true devotion to my Son, Jesus. I truly love all my children and I hold you ever so close to My Immaculate Heart. I love my Priests, even those who are refusing my motherly assistance. I want each of you to remember, you are all my children and I truly, truly love you.

Today, give thanks to God for allowing this time for me to be with you in such a personal way. Amen.

MESSAGE #2587 from the Blessed Mother February 12, 2004

My daughter, My children must march in unison. They must join hands and work, work together. They must be loving and forgiving and not fight with one another.

In times to come, you will need each other, so please do not harbor hate in your hearts. Do not gossip; instead pray, pray for one another. Through prayer you will have peace, and darkness will not rule your lives. Evil loves darkness, so please, please live the Gospel.

Live the Gospel so that this love of knowing Jesus shines through you. Your actions must be that of love and holiness. Your actions must imitate Christ each new day. If you desire to be like Jesus, then you must be humble, loving children. You must be truthful and willing to change in those areas where you are weak. Your words and actions must be that of love and peace. Strive hard to be faithful to your commitment to pray, pray daily. Come to Mass more often and receive Jesus. Cleanse your soul and do penance daily for your sins.

Darkness will prevail without more prayer and acts of love. This world will truly suffer if man does not repent and amend their ways. Yes, destruction will happen if man chooses darkness and continues to live in sin.

Now, please let go of your ways and turn to God with all of your needs. God will then give you the strength to be the children He intended you to be. God will give you the grace needed to work in love and unity. Amen.

MESSAGE #2588 from the Blessed Mother February 16, 2004

My daughter, Many today are choosing to walk alone. They do not include God because they do not pray. Without prayer and a true relationship with Jesus, one will become entangled by the serpent's tail. Satan is strong and he will truly grasp those who have allowed themselves to become distant from God.

My daughter, this is why it is so important to make these messages known to all your brothers and sisters. These messages are that of love and truth, and the truth must be made known. All must wake up in this time that has been allowed by God. All must turn to God and believe in His love and mercy. These messages are God's way to wake those who are sleeping. If these messages were not from God, they would have ended long ago. My daughter, this is why it is so important to write each time I come to you. For each time you write, they are truly imbedded in your heart. Each time you write, souls will be saved.

God is truly using many in these times, but due to lack of faith many are not listening. Many are denying God's ways because they do not want to change. Change takes time, so I plead with my children, amend your ways now. Turn away from sin and rely on God's loving assistance. Come to Mass and take heed to the Gospel. Take heed to the Gospel and obey, obey God now. Listen to your Most Holy Pope, for he is not afraid to make the truth known. This Pope is truly being guided by God, for he has been chosen for these times. Be wise and listen carefully so you come to know the whole truth.

There is no longer time to be ignoring God, so respond now. Come to know my Son in a deeper way so you grow in holiness. Take my hand and I will truly help you. Return to God and join me in prayer. Seek to be like Jesus and I promise you, your life will change. Please respond now and look to Jesus for knowledge, wisdom and truth. A response is truly needed, so please look to Jesus and desire to live a pure and holy life. Amen.

MESSAGE #2590 from the Blessed Mother February 18, 2004

My daughter, A true warrior is one who does not deny Christ. In order to be true to God, one must go forth and be willing to be persecuted for sharing their faith. One must not hide their love of knowing Jesus.

I ask that my children take heed to this message today so more come to know my Son, Jesus. I ask that you keep your hearts open and embrace the love being offered by your Heavenly Father. In doing so, this love will flow, flow through you. By your example, more will come to know my Son.

Please, dear children, put on your armor of faith and rescue those who are sleeping. Reach out in love, not fear, and make the Gospel known. You are all God's chosen children and you each have work to do. You must come out of hiding and do your part for the salvation of souls. You must use this time wisely and believe that time is short on this earth. You must believe that this is a time of special graces, but this time will not last.

There will be punishment for those who are choosing darkness. There will be punishment due to so many innocent lives being destroyed. God's Justice will prevail and I am warning my children, you will need to be prepared and in a state of grace. Woe to those who are hoarding their wealth, for it will be taken away. Woe to those leaders who are leading others astray. Woe to those who are not obeying God's commandments. Each of you must examine your conscience and then ask yourself; are you picking and choosing which commandments to obey?

So many today are truly, truly on the wrong path. So much evil has been accepted and is truly corrupting this world. Do not think your country will be spared, for evil is widespread. My heart truly bleeds for my children, for I see behind closed doors. I see how many of my children are behaving, yet so many are refusing to amend their ways. How I weep, weep for those Priests who are not shepherding their flock.

Today, is the day to wake up, so please, please dear children, respond and live these messages today. Do penance for your sins and convert before it's too late. Pray and fast, for this time is critical and change, change must happen soon. Pray unceasingly and start fasting, for this is what will lessen what is coming your way.

My message has not changed, so take heed to God's warning. Be light to this world by truly living the Fatima message. I am here for all my children. I am your Mother, Mother of Grace. Amen.

MESSAGE #2591 from the Blessed Mother February 19, 2004

My daughter, Spend time with Jesus so you do not lose hope or confidence in our Lord. Quiet time is needed so that you can truly hear God. Without quiet time, you will become distracted by the world. Keep your focus on Jesus and He will fill you with His love and grace.

I say to all my children, be silent and increase your time to be with our Lord. Let go of all that is preventing you from spending quality time with Jesus. Let go of your worldly ways and allow my Son to guide you. Turn to Jesus throughout the day and you shall be given the strength needed to endure your trials and difficulties.

If you truly want to grow in holiness, then you must listen to what I am telling you. You must respond and keep your focus on my Son so you are not distracted by the noise and busyness in this world. Now, please pray and give my Son your whole heart, for He truly, truly loves you. Those who have faith and who trust in my Son will never stop loving Him. They will grow in holiness and will not be distracted by the noise and busyness of this world.

Now, please be thankful and loving children, and give all honor and glory to God. Be thankful and turn to God, for He will truly guide you if you allow Him to be first in your lives. Amen.

MESSAGE #2592 from the Blessed Mother February 23, 2004

My daughter, I am with you in a very special way, so please continue to write each time I come to you. Write and then pray that these messages will touch the hearts of those who read them.

Time is short for saving souls, so please pray that more will take my hand so that I can assist them. Pray that more will come to know the truth so they go forth and live, live the Gospel. Pray, pray for my beloved Priests so their hearts stay open to what God is asking them to do.

God has great plans for those who turn to Him with an open heart. God has great plans for those who accept His grace and who live the Beatitudes.

Lent is a time to prepare your hearts, so begin today so you truly understand all that my Son endured for you. Begin today and open your hearts so you carry your cross with joy. When you gather today, ask our Lord to help you open your heart. Ask and then listen to my Son speak to your heart so that change can occur, occur in you.

Now, please listen to my Son and give Him, today, your whole heart. Your hearts will then be transformed and you will have peace. Amen.

MESSAGE #2594 from the Blessed Mother February 24, 2004

My daughter, A good confession takes time. One must examine their conscience and be truly sorry for their sins. One must be honest and then work on those areas where they are weak. One must take time to prepare their heart and soul.

I say to my children, do not receive the Sacraments out of habit. Take quiet time before Mass so you are not distracted. Be prayerful children and begin your day with prayer so you truly hear God. Your focus cannot be on God if you rush through your prayers. Your focus cannot be on God if you do not spend time with Him. It is time now to turn to my Son and ask for assistance. It is time now so you are truly guided on this earth.

My Son waits for each of you to come to Him with an open heart. His Most Sacred Heart is loving, merciful and forgiving. He truly loves you and longs to hear from each of you. Please ponder my Son's love for you and accept, accept His love and grace. Open your hearts today and allow my Son to embrace you. Allow my Son to heal you so you do not become distant from God.

Now, please do not give in to Satan's worldly ways. Reflect on our Lord's Passion and prepare your heart and soul. Prepare, prepare now, for Lent is a time to truly come to know our Merciful Lord. Amen.

MESSAGE #2595 from the Blessed Mother February 26, 2004

My daughter, My children must not rely on you for answers. They must turn to God and spend time with Him. They must deepen their relationship with my Son so they become strong, strong in their faith.

Begin today by praying together as a family. It is truly God's desire that you join hands and pray. Through prayer, you will be strengthened and the answers will be given to each of you. Through family prayer, your relationship with Jesus will deepen and your desires will change. I am here today to remind my children, the importance of family prayer. I am here today to remind my children to look to the Holy Family as your example.

It is through prayer that you will be able to discern what is good and what is evil. So much is accepted today and this is truly confusing the youth. It is not acceptable in God's eyes for man to be marrying man. The Sacrament of God's love in Marriage is for man and woman. Marriage is a blessing from God so that one may bear children and raise them with good morals. Without more family prayer, much more evil will enter this world.

This world is truly changing because so many have different values from those of Christ. So many are making up their own rules because they do not want to obey God's laws. Many are refusing to obey true teaching. So many are on the wrong path because they are giving in to the world's wicked ways. Daily prayer together is essential in the family in order to combat evil. Please, dear children, obey each commandment and follow the path of God's truth.

I am warning my children today, for Satan is vicious and he is truly trying to pull families apart. Satan will gain more ground if parents don't live their vocation. Parents must be an example to this world by truly promoting family prayer. Parents, you must pray together, love one another and be open to life. You must spread the Gospel by truly living it. You must keep your eyes on Jesus and not allow yourselves to become distracted by the world.

Now, please join hands and pray together as a family. Pray and embrace God's commandments and live, live His love and peace. Amen.
