

**MESSAGE #2829 from the Blessed Mother November 2, 2005**

My daughter, Lack of prayer and love is why there is so much confusion and division in the world. When my children do not pray, they close their hearts to God's love. Without love in one's heart, there cannot be peace or joy.

Please, dear children, turn to God each new day. Be prayerful, loving children so you do not turn others away. Please listen and respond to my messages so that pride, jealousy and hate do not enter into those groups that I have formed. Be humble, prayerful children so you learn to work together. Allow God to be in charge so that you do not seek control.

God is your shepherd, so please rely on Him today. Rely on God and trust, trust in Him and you will grow in holiness. This is my message. Please respond and obey Almighty God. Amen

**MESSAGE #2830 from the Blessed Mother November 7, 2005**

My daughter, God has chosen many to lead the faithful forward so they do not lose hope or confidence in Our Lord.

My daughter, you have been chosen to relay my words, so continue to write each time I come to you. Write each new message so more come to know God's love and mercy. So many today struggle because they are choosing to walk alone. So many today do not want to change their ways and many are living in mortal sin. My daughter, many will suffer if they continue to choose darkness. Please continue to be God's messenger so more turn to Him before it's too late.

The world has but little time to repent and amend their ways. Time is running out and if my children do not repent and stop offending God, they will suffer, suffer tremendously. The warning will come and man will have but little time to repent. All will have to decide to either choose light or darkness. All will need to repent and become faithful followers of Jesus Christ. All will know there is a God who is loving and merciful. The earth is being purified because the day is drawing near. God's light will shine in each soul and all will know just how they offended God. Many, many will suffer for compromising with the world. Bishops will have but little time to shepherd their flock. All will know just how many wounds they have added to Jesus' Most Precious Body.

I say to my children, repent and prepare your soul now. Stop persecuting my Son and live, live a holy life. Turn away from sin and obey, obey God. Please understand that when you sin, it truly offends God. Now, please examine your conscience and make a thorough Confession. Examine your conscience and return to the Sacraments. Stop living a lukewarm life. Stop crucifying my Son, Jesus Christ. Amen

**MESSAGE #2831 from the Blessed Mother November 9, 2005**

My daughter, War is not the answer. Pray that more will turn to God before it's too late. Pray that more will turn to God, for this is the only way that hate will leave their hearts. Prayer is truly needed, for so much violence is taking place all around the world. Many innocent lives are being lost because so many are listening to Satan.

Please, dear children, pray, pray more. Pray for all your brothers and sisters, for many, many are on the wrong path. Pray, for I say to you, the chastisement is near. Pray and prepare and amend your ways now. Get down on your knees and implore God's mercy.

A response is needed, so please pray and fast and do penance each new day. Give up your worldly ways. Be loving, humble children. Take heed to the Gospel. Repent and take heed to these messages and follow God's Holy Will. Amen

**MESSAGE #2832 from the Blessed Mother November 14, 2005**

My daughter, My children must love, love one another. They must join hands and live together in harmony and in love. They must trust in God's love and be an example to those around them. Conversion cannot happen if my children ignore these heavenly pleas. There is no time to be fighting with one another. Join hands, join hearts and be more loving and forgiving. Be united with all your brothers and sisters.

Trust in my motherly intercession and respond, respond today. Trust in God's love and mercy, for then you will truly understand all that I am teaching you. Through your prayers and sacrifices, more will come to know my Son, Jesus. The Rosary is your weapon, so go forth and pray your Rosary with true devotion. I am here, your Mother of Grace. Amen.

**MESSAGE #2833 from the Blessed Mother November 16, 2005**

My daughter, Change is not easy, but if my children refuse to amend their ways, they will not grow. They will not blossom for Our Lord. Each child has areas that they must work on if they truly want to be led closer to Our Lord.

Please, dear children, use this time wisely. Use this time wisely so you are ready to see your soul. The day will come, so please work on those areas that are preventing you from moving closer to God. Work each new day and do penance for your sins.

Stay close to Jesus' Most Sacred Heart and He will protect you from whatever it is that lies ahead. Prayer is your protection, so please, please make more time for prayer. Prayer is your protection, so please pray and desire God so you are led in the right direction. God will then truly be with you and He will live in you each new day. Amen.

**MESSAGE #2834 from the Blessed Mother November 21, 2005**

My daughter, My children must understand that all power comes from Almighty God. They must turn to Him for guidance instead of relying on the world for answers.

Time is short and my children must obey God's Commandments. They must turn away from sin or they will sink deeper, deeper into the pit. The earth continues to tremble because sin has become widespread. Terrorists roam the earth because there is so much hate in many hearts. The world is no longer safe and my children must prepare their soul. They must pray more and come to know my Son before it's too late.

The enemy will strike when you least likely expect. The enemy is vicious so be on guard and use the protection God has given you. Stay close to Jesus' Most Sacred Heart and adore, adore Him often. It is time now to truly take heed to the Gospel. This is the time to get down on your knees. Each new day, implore God's mercy. Each new day, say those prayers that I have taught you.

Now, please remain in the spirit of prayer and abandon yourselves completely to Almighty God. Amen.

Blessed Mother told me to say this prayer throughout the day:  
Lord Jesus crucified, have mercy on us. Have mercy upon the whole world.

**MESSAGE #2835 from the Blessed Mother November 22, 2005**

My daughter, God will never abandon His children if they respond and live, live a holy life. God is merciful and loves all His children.

Please be more thankful for each new day. Be hopeful and pray, pray throughout the day. This time has been allowed so more repent and amend their ways. Destruction lies on the horizon if my children do not follow God's Will. Many more storms and earthquakes will arise if my children refuse to obey Almighty God. God is truly warning His children, but yet many continue to ignore God.

Please take heed to my heavenly requests. Accept God's grace. Accept His love and mercy that He has for each of you. Open your hearts and take heed to all that I am teaching you. Open your hearts, be little children so that I can teach you. Hunger daily to be fed the truth. Let go of fear and long for the truth. Believe, believe dear children, that a bad tree cannot produce fruit. Believe in God's plan. Believe that God has chosen many to wake mankind.

Now, please continue to go forth as prayerful, humble, loving children. Go forth in gratitude and respond, respond to Heaven's plan. Amen.

**MESSAGE #2836 from the Blessed Mother November 28, 2005**

My daughter, Love, peace and joy must shine through my children so more come to know Our Dear Lord, Jesus.

Each of you must be an example towards all your brothers and sisters. You must love one another and serve those who are on the wrong path. You must do your part in order to make a difference in the world. I need your assistance in order for conversion to happen.

Please, please dear children, do not hide your love of knowing Jesus. Do not compromise with the world. Allow God's love to radiate through you. More will come to know Jesus if you allow God's love to shine through you. Love is the answer, for each soul longs for love.

Now, please open your hearts and be loving, humble children. Open your doors and assist those who are furthest away from Our Lord. Be true servants and God will truly, truly bless you. Obedience is needed, so please obey each Commandment. Obey each Commandment, for then love will pour forth from your hearts.

Go now in peace and live in God's love. Amen.

**MESSAGE #2837 from the Blessed Mother November 29, 2005**

My daughter, God is merciful and He will pour His love down upon those who come to Him.

Come, come dear children, and adore Our Lord. Kneel before Our Lord in Adoration and give thanks to Almighty God. Give thanks for all blessings and for all that God has done in your life. Give thanks and praise to God for the many gifts you have received. Give thanks by truly spending time with Our Lord, Jesus Christ.

Now, please have hope in Jesus. Have hope and believe in God's love that He has for each of you. Amen.
