2093-1

My daughter,

Tell my children that the purpose of these messages is to make the truth known. One cannot be silent when so many are living in sin. God has chosen many messengers in these times to relay our words.

So I say to you my daughter continue forward in love & in truth. Continue forward for you have been chosen to relay our words. Continue forward so more awake, awake from their slumber. Do not become discouraged by those who do not understand the purpose of these messages. God will be your strength & you shall be protected from their adversary. The truth must be made known or more will suffer when it is their time to leave this earth.

Many souls are in danger & that is why God is asking you to be persecuted for living your faith. In time all will have to decide to either repent or live in total darkness. It is time for all our

2093-2

children to understand why these messages are being given. My mission on this earth is to assist those children who are on the wrong path. Those who accept my motherly assistance will be led closer, closer to Christ. Those who accept my assistance will come, come to know the truth. These messages are for all our children for you each have a soul. You each have areas that you must work on. You each need to come to know God in a deeper way. Until our children let go of them will God cannot enter your heart or soul. Pride is preventing many of our children from fully living the truth. Unwillingness to do what God is asking of you is why many are not growing in their faith. Yes lack of discipline + commitment to truly serve our Lord is why so many are going in, into the world. Lack of prayer from ones heart is why are children do not hear God in the silence of

their heart. God is not pleased with those who are lukewarm in their faith. God is not pleased with those who are turning others away from those groups that I have formed. God is not pleased with those who refuse to see the goodness which is happening in those groups that I have formed. God is not pleased with those who are judging others for making the gospel known. If you truly want to please God than open, open your hearts now. Join hands & recite the rosary & truly meditate on each mystery. Join hands & allow the Holy Spirit to become a flame inside you. Gather & pray & encourage holiness. Come to mass as true believers & believe that Jesus is truly present in the Eucharist. Pray for one another & pray ^{each} day for your pope, cardinals, bishops & priests. Pray for seminarians so they do not lose hope. Pray for those who are standing up for the truth. Pray &

2093-4

ObeY God If you truly want to be more pleasing to him. Become ~~apostles~~ apostles of unity & pray, pray, pray. Be faithful to daily mass, confession, sacrifices & fasting for in this way you will understand Gods love for you. You will understand why God has asked me to assist his children. You will understand how dark this world has truly become. You will understand the importance of truly living & relaying the gospel. Today I weep with you my daughter because many do not understand the suffering you must go through. Many do not understand that this world is in danger because so many still continue to crucify my son. Many do not understand that each time an abortion is done the earth trembles more. Greater chastisements will occur if our children remain deaf & blind to what is really happening around this world. Sin has become widespread

2093-5

& there will be consequence for sin. Each child will need to be prepared when this time of Gods great mercy & grace ends. God will not have mercy on those who are living in mortal sin. Man will have but little time to repent if they allow arrows of fire to fall from the sky. If man does not take heed to the Fatima message soon many will see the fire of hell. Many souls will perish & they will not see heaven, only hell. I must be firm with all my children today because there is no time to give up. All must turn to God & repent, repent of their evil ways. All must take hold of the gospel which is being relayed all around this world. All must change their ways & be truly sorry for their sins. All depends on our children so please share my words from your heart. Share my words my daughter for they are truly imbedded in your heart. Don't give in or allow satan to confuse you for God has truly blessed your

hands & voice. God has blessed
this world with many messengers
so please, please don't feel alone,
I will wipe your tears & hold you
on those difficult days. Man cannot
stop God so believe dear daughter
that God is with you. Please help
Jesus plan for the transitions of
hearts so more souls can be saved.
Please use your gifts now for the
glory of God. All will one day
unfold & peace will reign on this
earth. Bring joy to those now who
are sleeping for many are spiritually
lethargic. Many need to see Jesus
love in your heart so move on &
trust that God & I are with you. As
a loving mother I am with all my
children each time you pray, pray the
rosary. Unite your prayers with the
Holy Family & I promise you it will
have a powerful effect on this world.
Rejoice & go forth now in love, peace
& fortitude. Am
