2473-1

My daughter,

Know matter how dark it becomes my children must go forth with love, joy & peace in their hearts. They must not give up or give in to the enemy. They must be brave warriors for Christ & be willing to be persecuted for speaking & living the truth. The enemy wants each of you to give up so please, please stay close to Jesus. Stay prayerful & pray for those who are refusing to live the gospel life. Stay humble & do not judge those who are refusing to accept my motherly assistance. In time each person will see their soul & they will truly know just how many wounds they have added to Jesus most precious body. Yes, each person will one day have to answer to God. Woe to those who are living in sin & who are leading others astray. Woe to those who are removing the goodness from their

church. Woe to those priests who are not shepherding their flock. Woe to those who seek control & who are not listening to God. A day will come & many will suffer for not living their vocation. A day will come so please dear children pray for those who are choosing the wrong path. Pray for those who are not obeying God's commandments. Pray & do not seek revenge for those who are living in darkness. Spend time adoring our Lord so that peace & joy do not leave your hearts. Spend time, time with Jesus & I promise you, you will have peace through each new battle. Jesus is your protection so please keep your focus on him. Let go of all anger & ask God to help you be more loving towards one another. Now please remain hopeful & trust, trust in God. Remain prayerful & stay close to Jesus & you will then be able to live pure, holy & joyfilled lives. Amen
