my daughter,

I am asking that all my children pray + meditate on the mysteries of the rosary. I am asking each person in this parish to join hands + pray the rosary. Through prayer unity will be restored. Through prayer hearts will soften + change, change will occur in your lives. Begin by coming to mass so your focus is on Jesus. The answers will be given to those who pray + who spend time with Jesus. Please ask my priests to assist me so more gather + pray the rosary. Ask my sons to teach their flock the importance of praying the rosary. Without prayer Satan will continue to enter many churches around this world. I see disunity happening in this parish so please, please do not allow Satan to enter your hearts. Pray more + I promise you the evil one will flee. Prayer is your weapon so please join hands

2510-2

± pray the rosary together. Join hands ± pray or you will see division much more division not only in your church but in your homes. It is time now to join hands so please be humble loving children. Let go of any pride or anger that you are holding in your hearts. Let go ± forgive those who have hurt you. Let go ± ask for forgiveness if you have hate in your hearts. God cannot work through you if you are refusing to join hands ± pray. God cannot work through you if pride, jealousy or anger has entered your hearts. This battle cannot be won alone I need your assistance. I need my sons to lead the rosary so more will gather ± pray. I need all my children to do their part so please respond ± open your hearts today. Sacrifice ± commitment on your part will truly help this parish. This Church has been chosen so please

do not run away. Be strong
in your faith + get down on your
knees + pray. By your example
this church will flourish. By your

at this parish by truly manifesting
yourselves with love + joy in your
hearts. This is a time of grace
so please pray + imitate Christ. Satan

each new day. My daughter please
make this message known + be not
afraid for I am truly with you. In
time all will understand for the

All must be prepared so do not
hold all that I am teaching you
in your heart. I am the Mother
of God tell the world I am here

of you. Amen
