2515-1

my daughter,

The evil one is sly + he truly wants to confuse my children. Those who are not strong in their faith will fall, fall for his lies. Those who do not pray or obey God's commandments will be entangled by the serpent's tail. The enemy is strong + he will truly devour those who are going in to worldly ways. I am warning my children today because so much evil lingers in this world. So much evil is corrupting much of the world because so many today are not listening to God. Many, many children are living a life style that is truly, truly offending God. Many are choosing the wrong path because of their refusal to obey all of God's commandments. Oh how I weep when I see so many today living together before marriage. I weep because so many are refusing to live a chaste life. I weep because many today are not prepared to see

their soul. Many are living un-
mortal sin + are worshipping
false gods. Greed + selfishness is
why so many children are turning
their back on God. Laziness + unwillingness
to learn the truth is why so many
children are living in sin. Parents
I must be firm with you for I see
to many giving in to their children.
I see so many parents unwilling to
teach their children the truth. This
is due to fear of how their children
will react. Dear parents you are
endangering their soul by remaining
silent. You are offending God. If you
are supporting those children who
are living in sin. Children will
never learn if you are supporting
them in any way. Sin is sin +
you must not compromise when
you see your children living un-
mortal sin. It is time now to stop
giving to those children who are
living together before marriage. The
only way to help these children is

2515-3

through prayer + willingness to speak the truth. The only way to help these children is to stop giving them more wealth + to start praying, praying for their souls. In time you will each have to answer to God so please dear parents do not give in to your children. Set rules + abide by them. Set rules + wake your children before it's too late. This time is being allowed to take hold of your family so please respond + do not compromise to the ways of the world. Turn to God + ask, ask for his guidance. Turn to God + obey him + you will have peace through all trials + storms. God desires to protect you during this time of tribulation. God wants the best for each of you but there are rules to follow. If you refuse to listen than you are only making it harder on yourselves. Please listen + do not accept evil.

2515-4

Please listen & respond for time is running out. This world will be severely punished because sin has become widespread. Now please live the word of God & remain faithful to it. Take time to be with Jesus so you have the grace needed to make the right decisions. Imitate Christ & he will truly fill you with peace. Now please get moving for this is the time to rescue those who are living in darkness. Be loving & do your part to save souls. A response is needed so please take heed, obey God & do not compromise with the world. Amen
