2551-1

My daughter,

Groups must continue to form all around this world for much prayer is needed. Prayer is needed because many are not doing their part & they are not living a life that is pleasing to God. Many today are on the wrong path because they are not being fed the truth. The truth dear children is you cannot have a personal relationship with Jesus if you are choosing to live in mortal sin. You cannot grow if you are living a lukewarm life. Each new day you must hunger for truth & allow God to guide you. You must be willing to follow Jesus & imitate his ways. You must let go of your ways & be humble servants for our Lord. You must detach yourself from all that is worldly in order to embrace God's love for you. Your material wealth is not what will get you to heaven. It is you

love & true devotion to Jesus & your desire to truly please my Son. It is not pleasing to God when you are dependent on your wealth. It is not pleasing to God when you are choosing to go your separate way. You must be like Christ & live, live a holy life. You must live the gospel & obey God. You must cleanse your soul & be truly sorry for your sins. You must be hungry children & receive the sacraments. You must not reject God's love. You must accept his words & allow God to dwell in you. You must not abuse the freedom God has given you. Now please do the will of God & do as I ask. Do all that you can & be true apostles for Christ. Avoid temptation & stay close to Jesus Most Sacred heart. Be clean & pure in your words, thoughts & actions. Let go of pride & remember you are weak without God's assistance.

Now please practice all that I am teaching you & be role models to each other. Be loving, humble & compassionate & seek Gods direction in your lives. The road will not seem as difficult if you turn to God with trust in your hearts. Now go forth & be fruitful & live each day for Jesus Christ. Amen
