My daughter,

These messages are given for a reason & my children must respond now. My children must take shelter in Jesus most Sacred heart. My children must repent & prepare now. The United States will suffer, suffer greatly if man continues to choose darkness. Darker days will come & all will need to be in a state of grace. Many terrorists roam this earth & they have plans to attack. God is warning his children now yet many are not listening. God is warning his children now so please wake your neighbor. Rescue those who are living in sin & go forth & speak the truth in love. Go forth in love & share my words so more turn to Jesus. Be an example & live your faith so more come to know Gods love & mercy. There is know longer time to be

doubting in the many messages that are being given across this world. All must take heed & do their part so more repent & amend their ways. All must come to

know Jesus now so they are prepared for God's mercy & justice.

Your mission dear children is to spread your faith & be light to this world. Your mission is to live your vocation & to live saintly lives. Your mission cannot be fulfilled if you are unwilling to pick up your cross. Please live out your apostolic mission & share your faith wherever you go. Share your love of knowing Jesus & invite others to those groups that I have formed. Live, live the gospel & be true apostles in these times.

Appreciate the gifts God has given you by freely using them. Now please dear children stay awake. Stay on the path that will lead you to heaven. Stay strong

in your faith + be open to Gods will
in your lives. The path will soon
become more difficult so stay
close to my son so he can guide
you. Receive Jesus as often as you
can for than this peace of knowing
my son will not leave you. Much
Strength will be given to you +
you will see light know matter how
dark it becomes. Now please pray
for your country. Pray for
courage so you never give up
or give in to the enemy. Prayer
is the answer. Prayer + sacrifice
is what I am asking of each
one of you. Please, please respond,
amen
