Monday

2559-1

My daughter,

Peace comes from knowing

Jesus so keep your focus on my
son & believe in his love for you.

Those who seek control are not
being truthful. They do not turn

to God for answers they are
relying on themselves. It is God

whom we must place our trust
upon. It is God, not man who

has the answers. If man is
looking for signs than they are

not living their faith. God knows
the most perfect timing so one

must trust & be patient & not lose
hope. These messages are Gods

loving way to assist his children.
These messages are the truth & they

will teach those who respond with
an open heart. Many today

do not want to hear the truth.
They do not want to hear the

truth because they do not want
to change their ways, or life style.

Dear children you must not allow
arrogance to stand in the way.

You must turn to God & be humble, loving children. You must be docile & listen, listen to God. You must not give in to your desires. You must be submissive to Almighty God. You must come to daily mass as often as you can & truly listen to the gospel. You must believe in the sacraments & work hard to keep your soul pure. You must do penance for your sins & choose the path that will lead you to heaven. Those who preach the truth must also live it. They must reach out to all their brothers & sisters. Each person must live their vocation if they truly want to walk with Christ. A true disciple is one who loves & serves our Lord. In order to be true to God you must build your relationship with him. You must turn to him & pray throughout the day. You must turn away from gossip & spend your time listening to my son. If you

allow your ears to wander you will not hear God. God is truly speaking to all his children but many today are not listening. Many are not spending enough time with my son Jesus. Many today do not know how to be silent because they have allowed busyness to rule their life. Please dear children slow down + seek Gods direction. Slow down + make time to be with God. Let go of your selfish desires + be obedient to God. Let go of your ways + give yourself completely to God. By letting go God will than use you in a powerful way. So today I ask that you thirst for holiness. I ask that you allow God to purify you so that change can happen in your life. I ask that you allow God to be in charge so you never step ahead of what he wants to do in your life. Now please ask for Gods assistance for the time is now to become spiritually strong. This time has been allowed so

2559-4

please be wise + respond, respond
now. In time you will understand
* If you do your part you will
have peace through all storms. Now
please live your faith + be open
to all that you are being taught.
Faith must begin in your heart
so be open to Gods love + plan
that he has for each of you. Amen
