my daughter,

Many changes will occur & all will need to be strong, strong in their faith. All will need to persevere know matter how dark this world becomes. In order to persevere you will need to be strong warriors for Christ. You will need a true relationship with Jesus so you clearly hear him. If you doubt in Gods love you will not understand his mercy. If you do not trust in his love than you will lose hope. I say to each of you remain close, close to our heart, & pray for wisdom & strength. Pray that you do not give in to those who do not understand Gods love, mercy & grace. Pray that you do not give in to those who do not understand my role on this earth. Pray, pray dear children for I am truly preparing you for the road ahead. I am truly here to guide you closer to my son Jesus. I am here now because of Gods love for you. I am here now

2585-2

to assist you on this earth. Those who take my hand will be taught the truth. I am here to wake those who are not on the right path. Difficult days will come so begin today & practice all that I am teaching you. Amend your ways & live, live more simply. Gather weekly in those groups that I have formed & come to mass & pray, pray the rosary. Allow each mystery of the rosary to become alive in you. Meditate on Our Lord's passion & be truly sorry for your sins. Repent & ~~do~~ penance for your sins. Take part in healing Jesus' wounds for how he suffers due to the sins of this world. Do not give excuses for your actions. Be humble, loving children. Be true to God & let others know how much you love him. Forgive those who have hurt you by allowing God to heal your heart. Conversion will then happen & others will see Christ in you.

2585-3

The way is forward so please stay close to my sons most sacred heart. Stay close to my son so you are protected from all evil. Stay close & never let go of my hand for I am truly here to assist, assist my children. I am truly warning my children today that without a strong faith & willingness to do what is right the road ahead will be difficult for you. This is the time of preparation so be wise & live these messages so you never give in to the enemy. I have but little time to remind you so please respond & obey Almighty God. Respond even on those days when you feel tired for through your response you will be strengthened. Today is a day to gather so please pray & join hands & truly live your consecration with love & joy in your hearts. Amen
