My daughter,

This world would not be un-
trouble if all my children would
pray, fast & do penance for their
sins. I come today with the
same message repent & amend
your ways. Obey God & take time
to be with him. Take heed to the
gospel & live each day for Jesus.
I say to each of you if you
give your hearts to Jesus your
desires will change. Your love
for Jesus will grow & your ways
will become more pleasing to him.
It truly takes effort on your
part & a true desire to follow Jesus.
Will you please take heed to
this message & respond, respond
now. Take a look at your life
& than reform your ways. Be
humble, honest children & let go
of all that is displeasing to God.
Take time to do this so that
change can begin in you. Believe
that this world will not last
forever & that heaven is your true

home. Believe that my son is truly present in the Eucharist so you spend time with him & nourish & cleanse your soul. Believe, believe in the gospel for it is truly unfolding now. Each of you are being molded & formed so do not presume that you have control of things. God is in charge & he knows what is best for your soul. All will be accomplished in God's most perfect timing. All will soon know that God exists. For now you must live in harmony & be hope-filled children. You must obey God & love, love one another. You must seek the Kingdom of heaven & work hard on this earth. You must continue to join hands & pray, pray together. You must not allow the world to confuse you. You must stay close to Jesus' most sacred heart. You must spend a great deal of time in prayer & believe

that your prayers truly reach
the throne of God the Father. Now
please prepare your hearts for
a pure heart will be the greatest
gift you can give my son for
Easter. Go now as Gods chosen
children + prepare the way for
the coming of my son Jesus. Amen
