My daughter,  
I ask that my children  
turn to God instead of their  
wealth. Your material possessions  
cannot give you true happiness  
so please let go & allow Gods love  
to enter your hearts. Open your  
hearts & allow God to enter more  
deeply. Open your hearts so  
that God can work more powerfully  
through each of you. Begin today  
& live your life as I did in  
humility, obedience & complete  
trust in God. Through prayer  
this can be accomplished so please,  
please pray daily. Join hands  
& pray with one another & live,  
live the beatitudes. Love one  
another so that Gods love can  
be spread across this world.  
Through love & prayers you  
truly become an instrument  
of Gods grace. Please put these  
messages into practice so more  
come to know our dear Lord Jesus,  
Please pray more & do not wait for

me to remind you. Pray the rosary each new day & bind your prayers around this world. This world is in need of prayer for many are truly offending God. So few truly live these messages. Many read these messages but very few live them. Many do not pray from their heart. Many only ask God for more wealth. Many pray for conversion for others but are unwilling to change or look at themselves. I say to each of you examine your conscience each new day. Do not run to confession until you truly examine your conscience. Ask God to help you see yourselves as he truly does. Through prayer & total submission to God you will see results. You will come to know your weaknesses & you will have a change of heart. In order to preach the truth you must live it. In order to live these messages you must let go of fear & pride.

You must repent & ammend your ways if you want to be true followers & servants for our Lord. Much penance & atonement for your sins must be done before you are purified. Many, many suffer in purgatory because of their refusal to change in those areas where they are weak. Satan is at work & he is truly trying to lure you away from my son. Satan has many subtle & diabolical traps & you must be aware of this. You must not become too busy or you will not have time for God. You must let go of your worldly ways so you have more time to come to mass & pray. You must pray more & take heed to the gospel. You must obey all of Gods commandments not just those that are easy for you. You must not judge your brothers & sisters for that is not your role on this earth. Be loving, humble, obedient children. Now please
