2646-1

my daughter,

I am here. I am here

for all my children but I cannot help those who are choosing darkness. I cannot help those who are refusing to obey Gods commandments. There is still time for repentance, but my children must decide now. They must turn to God & ammend their ways before its too late. They must accept Gods love & mercy & truly live, live the gospel. God will truly shower his mercy upon those who repent & who turn to him. My dear children you cannot live in sin & say you know the truth. Sin is what seperates you from God. Sin is darkness & it pulls you deeper, deeper into the pit. So many today do not understand the darkness that surrounds them. So many continue to live un sin because they do not want to obey all of Gods commandments. I say

You will see how many wounds you have added to Jesus most precious body. What a terrible time this will be for those who are choosing darkness, without a repentant heart many will die of fright. Many will not be able to withstand knowing the truth about the condition of their souls. Many will have but little time to repent + turn their lives around. Do not wait for the warning repent + prepare your souls now. Turn away from sin + live a life that is pleasing to God. Examine your conscience each new day + than ask God to assist you so you can turn your life around. God will truly assist those who come to him. God will forgive those who go to confession. God will forgive those who are truly
