2657-1

My daughter,

Time moves quickly so continue to write & share all that I am teaching you. Continue to spread Gods love all around this world.

A time will come & each child will have to choose light or darkness.

The time will come so please tell my children to reach out to those who are choosing to walk alone.

Be true Christians & spread, spread your faith. Don't allow Satan to place fear upon your heart. Do what is right no matter what others think about you.

In time they too will have to repent & turn their lives around. In time each soul will have to answer to God.

Satans venom is poisonous & he is truly trying to pull my children away from God. Satan is strong & he is trying to destroy love in this world.

Satan loves war & his plan is to conquer & divide. So please stay

close to Jesus & carry my son with you wherever you go. Armor yourselves daily & use the protection God has given

you. Be humble, little children & pray, pray more. Be strong little children & do not give in to the world. Receive the sacraments often so you have the grace needed to live a pure & holy life. Do what God & I are asking of you ~~so~~ you stay on the right path. The ~~forces~~ of evil will not confuse or distract you if you stay close to our heart. I say to my children be brave soldiers in this time of apostasy & unrest. Sanctify yourselves by a loving acceptance of each day's crosses. Be humble, loving & gentle of heart. All this is necessary if you truly want to save souls. Love is your strength so please go forth & carry love in your hearts. Go forth as God's chosen children & believe that Evil can be conquered only by love. I will be with you each time you pray so please continue to do what I your heavenly mother am asking of each of you. Amen
