My daughter,

This world is in need of much protection as much evil lingers on this earth. If my children truly want to be protected than they must take refuge in our heart. They must live their consecration & obey all of Gods commandments. They must not compromise with the world as the world is picking & choosing which commandment to obey. All of Gods commandments must be obeyed or one cannot live a pure & holy life. It is time to make Gods commandments known around this world. It is time to examine your conscience & to work on those areas where you are weak. Sin has become widespread because many have forgotten the importance of obeying each commandment. Sin has become widespread due to lack of prayer & disobedience to Almighty God. Sin is truly pulling my children away from God so please

Each of you do your part & make Gods Commandments known. Let the world know that each soul must obey each commandment in order to live a pure & holy life. The time is now so please be willing to teach those who are choosing darkness. Be willing to do your part by truly, truly obeying Gods laws. Many blessings & protection will be given to those who honor & obey Almighty God. Amen
