My daughter,

If people do not repent of their sins & turn to God this world will suffer. The world will suffer great disasters & many innocent lives will be destroyed. All must wake up now. All must turn to God & prepare, prepare their soul. Please dear children turn to God & pray, pray the rosary. Pray the rosary every day & take time to kneel before our Lord. It is time to let go of pride so that you can truly march forward. Be strong.

Be prepared & do all that you can so more souls come to know my son Jesus. My daughter I have come to this area because there are many faithful children who are praying the rosary. Many are praying as they should & this has helped lesson what is coming your way. Now with urgency in my voice

I am asking each of you to pray, pray more. I am asking for more prayer because sin has become widespread. I am asking for more prayer because many souls are going in to Satan. Many priests are not living their vocation. So many are going in to the ways of the world. My daughter this message must be spread so more gather + pray the rosary. Through fasting + prayer change can happen. Through obedience souls can be saved. Today I plead with America. Get down on your knees + pray. Join hands + persevere in prayer. Take heed to this message for I your heavenly mother am truly asking each of you to pray more. Amen
