2739-1

my daughter,

The busyness of the world is pulling many, many of my children away from God. Many are running in so many directions. This is why so many are not listening to God. Please dear children ammend your ways now + take time to be with God. Take time to adore our Lord so you are guided on this earth. Jesus wants to assist each one of you but you must take time + listen, listen with your hearts. You must let go of all that is distracting you so you can have more time to be with our Lord. I have given you many tools to help you on this earth but you in turn must confide in Jesus. You must ask for direction for God knows your strengths + weaknesses. God knows what is best for each soul. He knows the most perfect way but each

2739-2

of you must be obedient to
almighty God. You must desire
to change in those areas where
you are weak. You must love,
love one another + truly obey
each commandment. If you only
do what's easiest for you than
God cannot work through you.
God cannot assist those who
have closed their hearts to change.
Change is needed so please be
open to my sons love + direction.
Be open so you are prepared when
the holy spirit moves you. Be open
+ live your consecration so that
you live pure + holy lives. Openness
to the truth is how you will
survive in days to come. You
will need to be strong in your
faith so you do not give in to
what the world will offer you.
Much is coming your way + I
say to you do not give in to
the evil one. Be willing to be
persecuted for living the truth.

2739-3

Be willing to live your faith. Do not allow the world to rule your life. Do not give in to those who think they have the authority to say who should live + who should die. God will not have mercy on those who are disobeying his laws. Please dear children spend time with Jesus so you make the right choices on this earth. Spend time with my son so you are fed in the proper way. This world is truly in trouble due to lack of faith + rejection to Gods commandments. Please get down on your knees + spend time with Jesus. Get down on your knees + come to know my son in a personal way. Amen
