Jesus

4# 2804-1

My child,

Time is truly short so embrace your cross with joy. Embrace each new cross for it will help those who are living in darkness. Each time you embrace your cross you are embracing me. Seek my help every day to fight this battle for evil is widespread. When doubt enters your mind turn to me + you will be given the strength needed to persevere. Depend on me to feed + protect you for I am the way. I am Jesus your merciful Lord + savior. The time is coming + each of you will be tested + persecuted for living my word. This is the time of preparation so use this time to come to know me in a deeper way. Receive the sacraments often so you have the grace needed to say no to the enemy. Spend time with me + I will care for your souls. I will lead you in the right direction. You

Will receive special graces to keep moving forward. When storms arise you will have peace in your hearts. My message to the world is to repent + give your lives back to me. Repent + Reform your ways for the day is drawing near. Be faithful to me + follow my will so you do not give in to the world. The world is becoming darker + I say to you, you need my help everyday to do my will. My child, share the many gifts I have given you + preach my message of love, mercy + forgiveness. Reflect on my mother's words + share all that is imbedded in your heart. Walk in my foot steps + carry each new cross with joy. I am Jesus. I am truth. I am love.
