2819-1

My daughter,

Continue to be strong, strong for Jesus. Stay close to Jesus most sacred heart + humbly adore my son. Receive the sacraments often so you have the grace needed to remain faithful to our Lord. Tell my children to reach out to God's mercy so they never lose hope. God is merciful but my children must convert their lives + live, live the gospel. Dear sleepy children wake up. Repent + believe in the gospel. Repent + turn to God so you are protected on this earth. Do not be foolish children believe that Satan exists. Believe that the serpent is truly trying to wrap his tail around the world. Believe in God + use the protection he has so graciously given you. Armor yourselves. Armor your family so they are not tempted to give in to the evil one. I have given you many messages on how to armor yourselves. Go back

2819-2

+ reflect on the many messages I have given you. The world is now longer safe because much evil is flooding the world. Evil has been accepted + this is causing much destruction. The world is in danger because many have become blind to the truth. It is time now to learn the truth so that you grow in holiness. Turn to God + you will be guided in the right direction. Turn to God each new day + ask for his assistance. Believe in the archangels + say the St. Michael prayer often. Fast + pray + wear blessed objects. Have a priest bless your home + use holy water often. Do all that I am teaching you for this is your protection. Now please obey God + reject evil. Obey each commandment + stay close, close to our hearts. This is my message. This message is for all my children, amen
