my daughter,

My children must understand that all power comes from Almighty God. They must turn to him for guidance instead of relying on the world for answers. Time is short & my children must obey God's commandments. They must turn away from sin OR they will sink deeper, deeper into the pit. The earth continues to tremble because sin has become widespread. Terrorists roam the earth because there is so much hate in many hearts. The world is no longer safe & my children must prepare their soul. They must pray more & come to know my son before it's too late. The enemy will strike when you least likely expect. The enemy is viscous so be on guard & use the protection God has given you. Stay close to Jesus most Sacred Heart & adore, adore him often. It is

time now to truly take heed to the gospel. This is the time to get down on your knees. Each new day implore Gods mercy. Each new day say those prayers that I have taught you. Now please remain in the spirit of prayer, + abandon yourselves completely to Almighty God. Amen

Prayer:

Lord Jesus crucified have mercy on us.  
Have mercy upon the whole world.

Blessed mother told me to say this prayer throughout the day.
