My daughter,

God wants all his children to go forth & spread the gospel. The gospel must be made known so please live the truth & be an example towards all your brothers & sisters. Let go of your worldly possessions & live, live more simply. Spend time with Jesus so you become strong in your faith. You cannot do what I am asking of you if you do not spend time with Jesus. It is time now to increase your time to be with our Lord.

Jesus wants to teach you so please hunger for the truth. Let go of your worldly ways so that you have quality time with our Lord. Let go of the distractions in your life so you can hear God more clearly.

I want each of you to grow so please take heed to what I am telling you. Let go of your desires & live, live in his truth.

Take seriously all that I am telling you & be willing to change in those areas that are preventing growth. Do not abuse this time for the time will arrive quickly & each of you will need to be strong in your faith. My son loves you dear children so please turn to him each new day. Pray more & begin today to live all that my son is teaching you. My words are simple so please respond today. Surrender your will to Jesus & trust, trust in his love that he has for each of you. Surrender to his mercy & you will see the wonders of Almighty God unfold. Go now with love in your hearts & keep your focus on Jesus who is truly present in the Eucharist. Amen
