Jesus

2881-1

My child,

Have faith in me & my mother's intercession so you persevere with joy in your heart. My mother will lead you to heaven if you continue to take her hand & do all that she is asking of you. The world will not make it easy for you, but I your Lord will be by your side. I will open those doors that men so blindly shut. Each new day seek the refuge of my mother's immaculate heart, & she will protect you from the enemy. My child look at my Eucharistic heart & you will truly see how much I love you. I ask that you share this love so that more take refuge in my most sacred heart. Those who take refuge I will refresh, & I will fill them with my love. The world will suffer more if mankind does not turn from their sins & be converted. Many

more storms will arise + many, many will suffer if they continue to choose darkness. The world will see total chaos if they ignore my mothers pleas.

The world will see a bloody massacre if man continues to choose war. Fire will fall from the sky + there will be no place to hide. If mankind does not hear my words the earth will crumble. The hour is drawing near + I am warning mankind.

My child make my words known. My words of mercy + love. Make my words known + abandon yourself completely to my call so more souls can be saved.

Listen to my direction. Listen, be calm + pray throughout the day. I am Jesus. I am with you. Prayer + my cross will give you peace.
