2902-1

My child,

I am Jesus. I come today with tears in my heart for many are not listening to my mother. They are refusing her assistance because they do not want to amend their ways. So many living in sin. So many doing what ever they please in this time of mercy. I say to the world the Godless will be destroyed. Fire will fall from the sky & many will perish. I say to mankind. Prepare your soul. Wake up from your slumber. Speak the truth. Wake those who are in darkness. Do penance for your sins. Cleanse your soul thoroughly. Listen to my mother. Listen to my messengers for they speak the truth. Listen for the time is drawing near. Those who refuse to repent will perish from their sins. A time of great trial will come. Everyone must begin now

2902-2

to do penance & pray. Meditate on the mysteries of the Rosary. Meditate & pray for humanity. My Child follow me along the way of the Cross. Surrender yourself to my Will. Unite your soul to mine for I have much direction that needs to be made known for the world. You have been chosen so pray everyday for souls. I am with you. Do not hide what I tell you. It is time for those who are choosing darkness to wake up. It is time for humanity to get down on their knees & pray. With tears in my heart I am asking the world to join hands & pray.
