my daughter,

Please pray + make reparation for those who are choosing darkness. If all my children do their part it will truly make a difference in this darkened world. Each of you must respond to Gods grace so that more souls can be saved. Through prayer, penance + fasting conversion will happen. Through prayer + true devotion to our Lord darkness can be removed. Please wake up + live the many messages that have been given to you. Do not ignore heavens call pray, pray more. Live the beautitudes. Be kind, loving compassionate children. Many today are not being fed the truth so please make the gospel know. Open your hearts, open your eyes + you will truly understand all that I am teaching you. These messages come from my heart + they flow with love + concern for all my children. Many of you

Know the truth but you allow fear to rule your lives. This is why so much evil lingers in the world. Stand up dear children & live, live your Catholic faith. Be true to the gospel & be willing to be persecuted for making the truth known. Be strong soldiers for Christ & light the way for others. Do not give in to the ways of the world. Do not allow Satan to deceive you. Receive the sacraments often & you will be strengthened & purified. Please wake up now for I say to you time is short & without God's grace you will be led in the wrong direction. The warning will come & you will have nothing to fear if you are close to Jesus most sacred heart. If you refuse to repent you will not be able to bear what you will see. My daughter please keep writing & share all that you have seen with those priests whom God has sent to you. They

The earth is trembling & these are all signs to wake mankind before its too late. Prepare, prepare my children for the most difficult hours are yet to come. Amen
