my daughters,

Be thankful for all the wonderful gifts God has given you. Be thankful each new day + assist those whom God sends to you. So many today are sleeping + they need to hear the truth. So many are on the wrong path + they are sinking deeper into the pit. So many are not strong in their faith + they do not know the true meaning of Christmas. My children need to wake up as this time is not going to last forever. I say to my children come to know my son now. Draw close to Jesus + invite my son into your hearts. Let go of your worldly ways + come to know my son now. Please stop adding wounds to his most sacred heart. Turn away from sin + allow my son's love to dwell in you. Joy, peace + freedom truly comes from knowing Jesus. Please accept

what I am telling you & be  
true believers. My son has  
so much love to offer but you  
must accept his love & assistance.  
Now please fulfill the will of  
God & allow him to purify  
your soul. Begin today & pray  
to God with all of your heart.  
Begin today for your savior  
is born & he truly loves each  
one of you. Amen
