Jesus

2969.

My child,

Come to me + I will strengthen + renew you. I will give you hope through all trials + suffering.

I want to walk with each of you, but you must first come to me.

You must allow my light to shine through you. Open your hearts + trust in my love + forgiveness.

Accept my love + my mercy will glow, + heal your broken hearts. I am

here to cleanse you + protect you from all evil. Listen to me + take refuge in my most sacred heart.

Listen to my cry of mercy. Pray, fast + do penance. Time is short.

Devote yourself to prayer + listen to my voice. Come to me + I will

do all things for you. Follow me along the way of the cross + unite your soul to mine. I am Jesus. Respond to my words of mercy + love.
