Jesus

My Child,

Pray + I will guide you.

Write so more awake from their slumber. Blessed will be those who listen to my voice + prepare themselves. Listen to my voice + take heed to my mothers heavenly requests. Humanity is being warned yet so many continue to live in sin. Repent + believe in the gospel. Turn away from sin + walk in my light. Pray + do penance. Return to the sacraments so I can assist you. My mercy is great to those who repent. Woe to those who are choosing darkness. Woe to those who are living in mortal sin. Surrender yourself to my will. Follow me along the way of the cross. Unite your soul to mine. Be humble, loving + prayerful. Do not choose to perish in eternal fire. Prepare your soul. Allow my light to shine through you. Do not reject my mercy + love. I am Jesus.
