3046-1

my daughter,
Change cannot happen
if my children do not repent
& turn to God. Many today
do not trust in God. They
are relying on their wealth
& are living a lukewarm life.
How I weep for those who
are not obeying God's commandments.
Abortion is the greatest sin in
this world & you each need to
take a stand for life. You
cannot say you love God
if you are disobeying his
commandments. Life is precious
in God's eyes so please do not
allow the world to fool you.
Do not listen to those who
are refusing to take a stand
on life. The world will become
darker if man continues to
give in to Satan. You must
protect life & believe that it
is God who decides who should
live or die. I am warning
my children that punishment

3046-2

is near for those who are
destroying life. Obey each
commandment + armor yourselves
with purity, humility + love.
Satan is full of lies so please
rebuke him. I say to all my
children Repent, get down on
your knees + pray. Pick up
your cross + bind your Rosaries
around the world. Prayer is
your protection + without more
prayer you will see darker
days. America prepare, prepare
now. Turn to God + allow him
to purify your soul. Amen
