Jesus

3064-1

My child,

I am Jesus. I am here to wake mankind so more repent in this time of mercy. My heart is overflowing with love + mercy for each + every soul. The earth is trembling + many souls are not prepared. The hour is drawing near yet many are refusing to wake from their slumber. Wake up + Respond now to my mothers heavenly pleas. Time is short for saving souls. Listen, listen to my mother + pray more. Pray for priests so they truly shephard their flock. My priests need prayer. so they return to love + humility. Lack of love + pride is why the gospel is not being spread. Lack of prayer is why so many souls are being misled. Many preach the gospel yet they live in darkness. I pour tears of blood over my church. ~~Everyone~~ Everyone must pray

3064-2

↓ do their part for the salvation of souls. This is the time to listen & respond to my words of mercy. My mercy is great ~~for~~ those who repent & return to the sacraments. Wake up & listen & respond to heavens call.
